### General Membership Meeting

Please visit the OHJA website for a summary of the general membership meeting held in June at the Oregon Trail Classic Horse Show.

### Points and Membership

If you have joined or renewed your membership but your name or your horse’s name is not listed under the current member/horse registration heading on our website, please contact Points and Membership Chairperson Melanie Pennington.

Points accumulated for the 2010 show season are posted on the website. Please note that the summary of points will be updated at least once a month during the show season. It is your responsibility to verify your points and to contact Melanie if you have any questions.

To facilitate the correct recording of your points for year end awards, please make sure the rider/owner and horse registration names used on your renewal application are identical to the names shown on USEF records.

## **Reminders**

Each exhibitor returning from any out-of-state horse show is responsible for making arrangements to have their show results forwarded directly from the show secretary to Melanie Pennington.

Wear sunscreen and hats at all outdoors events!

Have you reserved your lodging for out-of-town horse shows?

## **Facebook and Website Update**

In addition to visiting our website, we invite you to join the OHJA page on Facebook for the latest information from our organization.

Visit the photo gallery to view photos of our OHJA community in action! If you have photos of member barn or horse-related activities that you would like to have posted on the website, please email a copy of the photos to Trish Helmer at [historygallopson@hotmail.com](mailto:historygallopson@hotmail.com).

## **JEF**

The Junior Equestrian Fund was established to provide financial assistance to junior members to help defray costs associated with competing in regional or national medal finals competitions. To be eligible for financial aid, each JEF member must actively participate in the current year's fundraising activities in addition to making a formal application to the OHJA Board. Please contact your Junior Representatives Madison or Kelsi to volunteer to help with upcoming fundraisers. Your support will be greatly appreciated!

## **Education Corner**

Each month's newsletter will include information that might be included on a written test for a future medal finals competition.

*Question:* True/False: Once a rider has qualified for the Maclay regional final, the rider may continue to ride in Maclay classes until he/she has acquired 60 points. Any rider who willfully continues to compete in the Maclay classes after acquiring 60 points may be ineligible for the regional final.

*Answer:* True
