Section C – Foundation Medal Classes

The OHJA will recognize rider achievements in an entry-level medal, the OHJA Foundation Medal. The Foundation Medal is not a “medal class” as that term is defined herein and is not eligible for year-end championship awards. Members who earn at least twenty-five (25) points in OHJA Foundation Medal classes during the show year will earn an OHJA Foundation Medal ribbon, based on the following point system, to be presented at the Year-End Awards Banquet.

Specifications: Fence height 2’0” – 2’3”. May include cross rails. No oxers, in and outs, or combinations. Open to junior and amateur riders. Riders may not cross-enter into any class at the same show with a fence height above 2’3”. For points to count in any class, a minimum of three (3) exhibitors must compete in the class. Show management is encouraged to split entries into an Adult division and a Children’s division if there are three or more entrants in each age group. Regardless of the number of exhibitors beyond three (3) in a class, riders will accumulate points as follows: 1st–10 2nd–6 3rd–4 4th–3 5th–2. Ribbons will be awarded through sixth place.

EMT or First Responder: Show management shall retain the services of one or more EMT(s) or First Responder(s), licensed or accredited by the applicable state and/or local authorities in which the Outreach Show is located, to provide emergency medical care at the Outreach Show. All EMT(s) or First Responder(s) shall: (a) carry or otherwise be covered by a professional liability insurance policy as required by applicable state law, with proof thereof provided by show management to OHJA at least two (2) weeks prior to the Outreach Show; (b) be designated by first and last name as the EMT(s) or First Responder(s) on the Outreach Show's application; and (c) remain on the show premises, and in proximity to the competition arenas and/or schooling areas at all times throughout the Outreach Show, including any school session(s) open to exhibitors on the day(s) of the show. Any change to the EMT(s) or First Responder(s) designated on the Outreach Show's application must be reported to OHJA as soon as practicable, along with proof of insurance coverage.

Proof of Liability Insurance: Show management shall (1) maintain liability insurance coverage that meets or exceeds the minimum requirements established by USHJA for USHJA Outreach competitions, (2) name OHJA as an additional insured with respect to any and all such policies, and (3) provide OHJA with proof thereof at least two (2) weeks prior to the applicable show. Proof of emergency medical personnel's professional liability insurance shall also be provided as required herein.

If proof of insurance is not provided as required, the host competition shall pay to OHJA a one hundred seventy-five dollar (\$175.00) fine for exhibitors to remain eligible to receive OHJA points toward year-end awards based upon their results at the applicable show. Until such fine is paid, show management shall be in breach of the host competition agreement, no OHJA member may accumulate points at the applicable Outreach Show(s), and no OHJA member may accumulate points at any future Outreach Show to which the applicable host competition agreement applies. OHJA will not track points from any show for OHJA year-end awards unless and until all fees and fines are paid. Show management is solely responsible for notifying all Regional and Local System exhibitors at the affected Outreach Shows that they will not accumulate OHJA points at such shows.

Submitting Show Results: Within two (2) weeks after an Outreach Show, show management must submit to OHJA the following: (1) show results submitted directly to OHJA via the OHJA website's data entry portal or in the electronic format provided by OHJA to show management (i.e., Excel document); (2) all OHJA membership applications, horse registrations, and fees received at the show; (3) for combined age group classes, the correct age group of the riders; and (4) a copy of the show's prize list. If results are not submitted electronically via the OHJA website or in the required Excel format, then the Points Fee shall increase to \$50.00 per day per Outreach Show, with the balance due paid at the time the results are submitted to OHJA. Further, if results are not submitted and/or the Medal Fee is not paid in a timely manner, then an additional two-hundred fifty dollar (\$250.00) fine is due. OHJA will not track points from any show for OHJA year-end awards unless and until all fees and fines are paid.

Limit on Number of Outreach Shows: Show management is limited to conducting four (4) Outreach Shows at the same location per competition year offering hunter/hunt seat equitation

classes, and four (4) Outreach Shows at the same location per competition year offering jumper classes; if both hunter/hunt seat equitation and jumper classes are offered at the same show, that show counts as one show for each discipline.

Rule Book and Membership Applications: During each Outreach Show, show management shall (1) have a copy of OHJA Rules available for reference, and (2) make OHJA membership applications available for exhibitors. Alternatively, show management shall provide internet access to the OHJA website for access to the OHJA Rules and for online membership applications and horse registrations.

Confirming OHJA Membership for Medal Classes: Before permitting any rider to compete in any OHJA Medal class, show management must confirm the rider's membership status by (1) checking the current membership list, (2) requiring the rider to provide his/her current membership card, or (3) requiring the rider to provide proof of payment of the applicable OHJA membership fee.

Section B - Stakes Classes

1. See USEF rule book.
2. All stakes classes in Outreach Shows must have a minimum purse of thirty dollars (\$30.00). All add-back money must be in addition to the purse for hunter classes.

Section C - Point Accumulation

1. Open System:

Open System horses and riders *may compete* in any Rated and Outreach horse shows. However, Open System horses and riders *may accumulate points only* at Rated Shows. If the show hosting the OHJA Medal Finals is a USEF "Regional I Hunter" or "Regional II Hunter" Rated Show, double points will be offered if such show is a benefit for OHJA. *However*, if the show hosting the OHJA Medal Finals is a USEF "Premier Hunter" or "National Hunter" Rated Show, double points *will not* be offered, regardless of whether such show is a benefit for OHJA.

Out of state horses and riders must accumulate points in three (3) or more Oregon shows to be eligible for the OHJA year-end awards. An out of state horse is one that is owned or leased by an OHJA member who is neither an Oregon resident nor a resident of county contiguous to Oregon. An out of state rider is neither an Oregon resident nor a resident of a county contiguous to Oregon.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

Points in the hunter, hunt seat equitation, and jumper divisions are calculated according to the USEF increment system, excluding bonus points. In addition, derbies, classics, and similar classes will count based on the current Zone increment system. For USHJA International and National Derbies, the horse owner or rider must declare the division in which the horse's points, if any, will accumulate. However, no points will be earned in any classes restricting entries, e.g., Zone Qualifying classes, Hunter Championship classes, etc. Double points will be offered at the horse show hosting the OHJA Medal Finals when that horse show is a benefit for OHJA. The show hosting the OHJA Medal Finals will be eligible to award double points for USEF and OHJA sections. The show will automatically award double points unless the OHJA Board of Directors votes otherwise, no later than April 1st of each year. The Board must provide good reason to not allow the show to award double points.

Points for 1st through 6th place are accumulated based upon the number of exhibitors competing according to the USEF Hunter Increment System as follows:

2. Regional System:

Regional System horses and riders *may compete* in any Rated and Outreach horse shows. However, Regional System horses and riders *may accumulate points only* at the following shows *within Oregon and its contiguous counties*: (1) the first three (3) Outreach Shows in which the horse and/or rider accumulates points; and (2) any and all Rated Shows. Beginning in 2020, Regional System riders and horses may also accumulate points at their first three Rated shows attended in the non-contiguous counties of Washington state (see Figure 1 below). If the show hosting the OHJA Medal Finals is a USEF “Regional I Hunter” or “Regional II Hunter” Rated Show, double points will be offered if such show is a benefit for OHJA. *However*, if the show hosting the OHJA Medal Finals is a USEF “Premier Hunter” or “National Hunter” Rated Show, double points *will not* be offered, regardless of whether such show is a benefit for OHJA.

FIGURE 1: Counties in light grey are the Washington state counties which are ‘non-contiguous’ to Oregon.

Out of state horses and riders are not eligible for OHJA points in the Regional System. An out of state horse is one that is owned or leased by an OHJA member who is neither an Oregon resident nor a resident of a county contiguous to Oregon. An out of state rider is neither an Oregon resident nor a resident of a county contiguous to Oregon.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

Points in the hunter, hunt seat equitation, and jumper divisions are calculated according to the USEF increment system, excluding bonus points. In addition, derbies, classics, and similar classes will count based on the current Zone increment system. For USHJA International and National Derbies, the horse owner or rider must declare the division in which the horse’s points, if any, will accumulate. However, no points will be earned in any classes restricting entries, e.g., Zone Qualifying classes, Hunter Championship classes, etc. Double points will be offered at the horse show hosting the OHJA Medal Finals when that horse show is a benefit for OHJA. The show hosting the OHJA Medal Finals will be eligible to award double points for USEF and OHJA sections. The show will automatically award double points unless the OHJA Board of Directors votes otherwise, no later than April 1st of each year. The Board must provide good reason to not allow the show to award double points.

Regional System horses and riders will accumulate points as follows: (1) for USEF “Premier Hunter” and “Jumper 3 – 6” Rated Shows, using the current USEF Hunter Increment point system noted *above*; (2) for USEF “National Hunter,” “Regional I Hunter,” and “Jumper 2 Rating” Rated Shows, using the current USEF Hunter Increment point system noted *above*; and (3) for USEF “Regional II Hunter” and “Jumper 1 Rating” Rated Shows, using the current USEF Hunter Increment point system noted *above*; and (4) for Outreach Show, using the current USEF Hunter Increment point system *below*:

3. Local System:

Local System horses and riders *may compete* in any and all Rated and Outreach Shows. However, Local System horses and riders *may accumulate points only* in Oregon and its contiguous counties: (a) Outreach Shows, (b) Rated Shows that are USEF “Regional I Hunter,” “Regional II Hunter,” or “Jumper Rating 1” rated, and (c) up to three (3) Rated Shows that are USEF “Premier Hunter,” “National Hunter,” or “Jumper 2 – 6 Rating” rated. *Unless otherwise provided herein, only points from the first three (3) USEF “Premier Hunter, “National Hunter,” or “Jumper 2 – 6 Rating”*

² This reference to Outreach shows applies only to the Regional System; horses and riders in the Open System may not accumulate points in Outreach shows.

Rated Shows in which the Local System member and/or horse accumulates points will count toward year-end championship awards. USEF “Premier Hunter,” “National Hunter,” and “Jumper 2 – 6 Rating” Rated Shows in which the member and/or horse accumulates points *only* in USEF “Opportunity” classes over fences less than 2’ in height do not count toward such limit; *however*, points accumulated in classes over fences 2’ or higher will count toward such limit. Once the member and/or horse accumulates points in three (3) USEF “Premier Hunter” and/or “National Hunter” Rated Shows as provided herein, no additional points will accumulate unless and until the member and/or horse is upgraded to the Regional System and all applicable Regional System membership and horse registration fees are paid. If the member upgrades to the Regional System, credit will be given for Local System membership fees previously paid and all points previously accumulated will follow the member/horse to the Regional System and be recalculated under the Regional System increment rules. If the show hosting the OHJA Mini Medal Finals is USEF “Regional I Hunter” or “Regional II Hunter” rated, double points will be offered if such show is a benefit for OHJA. *However*, if the show hosting the OHJA Mini Medal Finals is a USEF “Premier Hunter” or “National” Rated Show, double points *will not* be offered, regardless of whether such show is a benefit for OHJA. The show hosting the OHJA Medal Finals will be eligible to award double points for USEF and OHJA sections. The show will automatically award double points unless the OHJA Board of Directors votes otherwise, no later than April 1st of each year. The Board must provide good reason to not allow the show to award double points. Local System riders who qualify for and compete in the Medal Finals will accumulate double points at the Medal Finals host show regardless of how many rated horse shows they have already attended in the current year.

The horse, legal owner (or lessee), and rider must all be members of OHJA at the time the horse is shown to accumulate points. Members submitting registration at the horse show are deemed to have registered effective the first day of classes for that show.

For points to count in any class, a minimum of three (3) exhibitors must compete in the class. Regardless of the number of exhibitors beyond three (3) in a class, Local System horses and riders will accumulate points as follows:

1st–10	2nd–6	3rd–4	4th–3	5th–2
--------	-------	-------	-------	-------

4. Recording and Reporting of Points Accumulated:

The Board will appoint a Points & Membership Chairperson to maintain a year-to-date accounting of points toward year-end division championships. The Points & Membership Chairperson shall be compensated at a rate determined by a vote of the Board.

Any discrepancies in point accumulations noted by a member shall be reported to the Points & Membership Chairperson, who will research and correct the reported discrepancy as appropriate. Point standings shall be posted on the OHJA website, and other public site(s), and updated at least every two (2) months. Any member may request a printed copy of point standings by submitting a written request to the Points & Membership Chairperson. No member may make more than three (3) such requests per show year.

Exhibitors attending shows outside of Oregon and contiguous counties must provide the Points & Membership Chairperson with their points and a letter stating that their official points are being forwarded from the horse show management. Upon receipt of the official points, the Points & Membership Chairperson will notify the exhibitor.

The Board has discretion to award year-end championships in divisions that do not meet the criteria set forth above.
